Wellington Barracks and The Guards Museum have been in Birdcage Walk for many years. The museum contains a wealth of information and artefacts relating to the five regiments of Foot Guards namely Grenadier, Coldstream, Scots, Irish and Welsh Guards. Along with the two regiments of Household Cavalry they make up Her Majesty's Household Division and enjoy the treasured privilege of guarding The Sovereign and the Royal Palaces. A curator will show us around the museum and tell us of the history of the Guards.
