This visit has been organised by George Freeman.

I have booked a private guided tour of the Great Kitchens to the State Apartments. The Castle is used by the Royal family for entertaining and the kitchens have been in use for 750 years. They have been modernised but are still in the original building. There are many stories about the kitchens and the meals prepared there, both past and present. The tour starts at 13.00 in the Winchester tower with a talk and refreshments followed by the private tour of the medieval Undercroft and kitchens.

Prior to the tour we have access to the Castle so that we can see the State Rooms, Queen Mary's Dolls House and exhibitions at our leisure.

We will reassemble at 12.50 at the Rampart Room (Winchester tower) on the Middle Ward.

**MEET** at the Windsor & Eton Riverside Station (Southwest Trains) at 11.00. (Waterloo 09.58, Richmond 10.18 arrives 10.51 - Summer times; check they do not change)

Those arriving via the Windsor Central Station (Western Region from Slough, 3 per hour) can either walk down to meet us or wait by the statue of Queen Victoria at the bottom of Castle Hill, but please phone me on the morning. There are toilets and refreshments at both stations.

NOTE the late lunch.

Car parking in central Windsor is expensive so use the long stay parks.

**LUNCH** There are two good pubs just outside the Castle. I have booked tables in the Three Tuns.

Main courses cost less than £7.00. Wine/beer, extras & coffee available.

(I have scans of the menu as .TIF files if anyone needs to see them – standard pub food)
