Picture: Denbies

## Description

**Summary:** We will be given a guided indoor tour of the winery, followed by a leisurely lunch. In the afternoon we will have an outdoor tour of the vineyard by train. Denbies is easily reached from London by car or by train to Dorking (Main) Station from which a waiting minibus will take you to the winery.

## Winery Tour

*Seasonal Vineyard Tour:* The tour starts in the brand new flat screen cinema. Learn about the geology and history of the estate and experience the changes in the vineyard through the seasons and appreciate the wine making process from vine to bottle.

*Winery Walking Tour:* Walking through the working winery with a full commentary from Denbies Wine Tour Guide you will see the equipment used in today's wine production, with particular emphasis on the sparkling wine disgorging line installed in 2013.

*Cellar Tasting:* The journey ends in the atmospheric Denbies cellars where you will be guided through three of Denbies' classic wines.

## Lunch

Lunch will be self-service in the cafeteria. A voucher is included in the price.

## Outdoor Vineyard Train Tour

A 45-minute vineyard tour takes visitors at a leisurely pace to some of the most beautiful viewing points in the vineyard. A recorded commentary enhances your trip making this an informative and comfortable way to experience the magnificent panoramic views of the Denbies Estate and the North Downs. Throughout the seasons the changing scenery captures the imagination, from the first bud burst of spring to the opulent vines of the autumn. Cameras recommended.
