REMS Charity BBQ for Cancer Research & Thames Ditton Walk

on Thursday 11 July 2019

This event has been organised by Tony Colclough

Description: As in past years, we shall enjoy a fine BBQ in aid of Cancer Research UK following a walk through old Thames Ditton village on the Thames. The food and drink will be contributed free and 100% of the proceeds from ticket sales will go to the charity. The BBQ will take place at the Organiser's home at 34, Sugden Road, Thames Ditton, Surrey KT7 0AE. In the event of bad weather the fine BBQ will turn into a fine indoor buffet. Tea and cake will be provided before guests depart. CRUK's website is at <https://www.cancerresearchuk.org/>

Where and when to meet: Assemble at 11:00 in the compact Café Noir, Platform 1, Thames Ditton Station. Thames Ditton Station lies between Surbiton and Hampton Court stations. The manager has promised to admit anyone who buys refreshments to his W.C. Cars can park in Weston Green Road next to the station. After the walk we gather at 34 Sugden Road, Thames Ditton, Surrey KT7 0AE for the BBQ. Those not coming on the walk may like to turn up about 13:30 at the venue for the BBQ (enter through side gate past wheelie bins).
